Arts & Health for the **Military**

**RECRUITING CENTRAL FL  
MILITARY VETERANS NOW  
FOR 2019-20**

Have you ever been curious about Singing? Song writing? Playing a musical instrument? Being on stage or behind the scenes? Well, be curious no more because the "Arts Got Your 6" with an all-new, inspiring program from TheatreCares. Now is **YOUR** time to discover the world of Theatre Arts with Vet Voices!

Vet Voices provides our Central FL military war veterans an opportunity for positive self-awareness and self-discovery in a creative "safe space" environment. This arts and health program will nurture life-long healing and learning through the art of live theatre. The program will consist of workshops and events that allow veterans affected by war to explore the theatre arts through music and find healing through creativity.
